We also offer bespoke finishes made similar to brassware from luxury brands such as Dornbracht, Samuel Heath, Gessi etc. Please send us an enquiry per email.

Wir bieten auch Sonderoberflächen passend zu Luxusbrands wie Dornbracht, Samuel Heath, Gessi usw. an. Bei Interesse senden Sie uns bitte eine Anfrage per Email.

Compatible with following GEBERIT products:
Kompatibel mit folgenden GEBERIT UP-Spülkästen:

109.309.00.5 UP320 12cm Sigma concealed dual flush cistern
109.791.00.1 8cm Sigma concealed dual flush cistern
109.792.00.1 UP720 8cm Sigma concealed dual flush cistern

There is a multitude of various in-wall carrier frames that are used with the Sigma tanks. Therefore, look for the concealed cistern that is built into the frame that you are using with your wall hung WC.

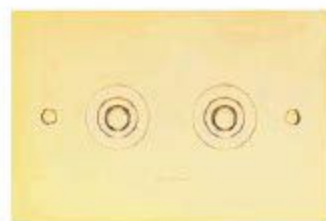

Weiters mit allen Einbaugestellen wie Kombifix, Duofix, Sanblock, GIS etc. in denen jeweils ein UP 320 oder UP 720 verbaut ist. Die Info welcher Spülkasten in einem Einbaugestell verbaut ist, kann man dem jeweiligen Datenblatt entnehmen.
